Do you have any dietary or health issues that we should know about? Please give details:

Release:

I understand that brewing involves manual handling in a hot, wet environment containing strong chemicals. I take responsibility for my own safety. I give permission for Bright Brewery to use images and quotes taken during my Brewer For The Day experience for marketing and promotional purposes. These are things like website, Brew Crew newsletter, local paper and other good marketing ideas.

I confirm that all the details above are correct.

Signed: _____

Please return by Fax or mail (details at top of page)
